

# MONTH-LEA

In an effort to spur development of more housing options for our workforce, the City of Albert Lea, Freeborn County and School District 241 agreed to abate, or refund, property taxes for new construction of residential housing in Albert Lea. For example, \$2,250 in property taxes would be refunded on a home valued at \$150,000. Approved applicants for new housing between January 1, 2017 and December 31, 2019 will have the taxes abated over five years.

Over the long term, the measure is intended to increase the city's tax base. We hope that shovels go in the ground and generate development. In the near term, we hope to create more housing options for our workforce. More options are needed for long-time residents and people recruited to the area by our business community.

For more details about the program, please contact the City Manager's office at 507-377-4330.
