The City of Albert Lea strives for transparency in how it governs. City leaders believe it's important that the public know who serves on city boards and commissions. Board and commission members also play an important role in city government by serving as liaisons between city government and local residents, sharing information and input. As such, the city would like to post your name, city of residence, and phone number or email on its website: <https://cityofalbertlea.org/boards-and-commissions>. Also, your name and contact information are considered public data under Minnesota law ([Data Practices statute 13.60](#)), meaning the city must provide the information if a member of the public requests it. By signing this application, you acknowledge that this information is public and will be posted on the city's website.
