

**Decline of Utility Line Protection Program
provided by Service Line Warranties of America**

221 E. Clark St., Albert Lea, MN 56007
507-377-4300

Date: _____

Customer name: _____

Property address: _____

Customer phone number: _____

Please remove my account from the City of Albert Lea Utility Line Protection Program that covers repairs of my exterior water and sewer service lines. I do not want the coverage.

I recognize that this Utility Line Protection Program is a service that covers the cost of repairs and/or replacement of my exterior water and sewer lines up to my program benefit level. I understand I am solely responsible for the exterior water and sewer lines; however, I do not wish to have this service.

By declining this service program, I understand I will be solely responsible for the cost of repairs and/or replacement, including pipe leaks and breaks, of my exterior water and sewer lines.

Signature: _____

After completing this form, please return to:
