

Opt In/Opt Out Form

Utility Line Protection Plan provided by Service Line Warranties of America

Date: _____

Customer Name: _____

Customer Phone Number: _____

Property Address: _____

Opt In

Please add my account to the City of Albert Lea Utility Line Protection Program that covers repairs of my exterior water and sewer service lines. I do want the coverage.

I recognize that this Utility Line Protection Program is a service that covers the cost of repairs and/or replacement of my exterior water and sewer lines up to my program benefit level. I understand I am solely responsible for the exterior water and sewer lines; I do wish to have this service.

Townhome/Condo Properties: Responsibility for repair of water and sewer lines on Townhome and condo properties varies. I am responsible for the water and sewer lines for my Townhome/condo and would like to add my account to the Utility Line Protection program.

I understand I will be charged a monthly service rate of \$5.50 on my utility bill.

Opt Out

I no longer want to be covered by the Utility Line Protection Plan as described above.

I understand I am solely responsible for the exterior water and sewer lines and that the removal from this Plan will be effective immediately.

Homeowner Signature and Date
